### Loan Amounts

The loan amount is limited only by the capacity to repay it. SBA 7(a) financing up to \$2 million is available and we also offer other programs that go up to \$12 million.

### Terms

SBA financing is only offered to businesses that demonstrate the ability to pay debts. The longer terms allowed with SBA financing provide easier debt qualification based on lower payments.

### Common Myths about SBA Financing

It does not take six to nine months to get funding.  
On average, loans are processed in 30–45 days and we can prequalify you in 5 days. Also, you don't have to be "turned down" by a bank prior to applying for a SBA loan.
